

30<sup>th</sup> January 2017

Dear Parents/Guardians,

**Assalaamu Alaikum – ‘Peace be upon you’**

**Oxford University Trip**

As part of the holistic education we provide here at Eden Boys’ School Birmingham, the Maths’ Department are organizing a trip to the University of Oxford, one of the leading universities in the world, on Wednesday 15<sup>th</sup> February. It will be an invaluable opportunity for pupils to visit the university and ask questions to current students, lecturers and admissions tutors. It will also enable them to gain an insight into mathematics at a higher level by participating in an academic session.

Unfortunately, we have limited availability. Therefore, if your child would be interested in attending please can you fill in the form below and return it to reception in a sealed envelope clearly labelled with your son’s name and form and ‘Oxford University trip’ by Friday 3<sup>rd</sup> February.

The cost of the event will be a voluntary contribution of £20.00 – this will cover all the activities as well as lunch and transport throughout the day. Payment should be made through ParentPay. Once you log in please click on ‘pay for other items’ and then ‘Oxford University Trip

Please note that the trip will not be able to go ahead if we are unable to cover these costs.

Students will be expected to be wearing full school uniform and arrive at normal time to school. The event will finish at around 3:30pm and we are expecting to be back in Birmingham by 5.30pm so we would request you pick up your child from school at 5.30pm.

Thank you very much in anticipation of your support.

Yours Sincerely,

Mrs S Darwich  
Teacher of Mathematics
