

Policy Statement On Provider Access

Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-10 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

The school will also make available AV and other equipment to support the presentation. This will be discussed and agreed in advance of the visit with the careers coordinator or member of the team.

Providers are welcome to leave copies of their prospectus or other relevant course literature at the Learning Resource Centre, which is managed by the school librarian. The Resource Centre is available to students all day.
