Assalaamu Alaikum – ‘Peace be upon you’

Dear Parent/Carer and Year 11 Students,

RE: Year 11 Mock Examinations – Wednesday 31st January 2023 – Thursday 8th February 2023

We are rapidly approaching the Year 11 mock examination period. As you will be aware, these are significantly important because the results achieved will inform College and Sixth Form applications and dictate exam entries. The Y11 Mock examination process starts on **Wednesday 31st January** and finishes on **Thursday 8th February**. There will also be English/Maths/H&F mock exams taking place on **Friday 19th January** and **Friday 26th January**.

The timetable for the mock examination is attached to this letter. Please ensure that you keep this in a prominent place so that you can ensure that your son prepares properly for his mock examinations.

It is important that students spend time revising and preparing for mock examinations, to do this they should be spending at least 2-3 hours per night revising. Staff at the school will provide students with lists of topics and content to revise and students should ensure that they have their books/notes/revision guides to do this. Parents/guardians should ensure that students have time and a suitable environment to support their revision.

On the day of examinations, students should ensure they come to school properly equipped, this includes the relevant exercise books and textbooks for the subjects being examined.

Should you have any questions regarding the mock examination process, please contact me at the school.

Regards,

Shahabe Abdo
Assistant Principal
