Assalaamu Alaikum – 'Peace be upon you'

Dear Parent/Carer

**Y10 Computer Science: Bletchley Park Visit**

On **Monday 26<sup>th</sup> February 2024, Year 10 Computer Science pupils** will be given the opportunity to visit Bletchley Park Museum. As the home of the top-secret World War Two Codebreakers and birthplace of modern information technology, Bletchley Park provides a unique opportunity to enrich your child's learning in the field of Computer Science. **The trip** will aim to focus on the following areas:

- Past-present-future encryption workshop
- Guided tour of the legacy facility
- Boost engagement with the Computing curriculum
- Inspire the next generation of cyber security experts.

Pupils are not allowed to bring their mobile phones and will be required to wear their **school uniform**.

Spaces are limited to 60 students and therefore it will be first come first serve. **The cost of the trip and transport is £27.00. Payment will need to be made on parent pay.** We will be departing from school at **8.30am** and envisage returning to school at **4.30pm**.

Please complete and return the attached consent form before **Tuesday 6<sup>th</sup> February 2024**.

Yours faithfully

Mr Salim Khan  
Director of Learning Computer Science & Creative Arts
