Re: Spring 2 - Year 7, 8 & 9 Fluency composites Timetable

The Spring 2 Fluency composites for Year 7, 8 and 9 starts on **Monday 26th February 2024**.

The timetable for fluency composites is included on the back of this letter. Please keep this in a prominent place so that you can ensure your son prepares properly for his fluency composites.

It is important that students spend time revising and preparing for fluency composites and to do this they should be spending at least 1 hour per night revising. Your son’s teachers will provide a list of topics to revise. Your son should make sure that he has all his necessary exercise books, notes and knowledge organizers to hand to revise effectively.

On the day of fluency composites, students should ensure that they come to school properly equipped, and this includes the relevant exercise books and textbooks for the subjects being assessed.

Your son’s report card will be distributed after the Easter break. It will include a summary of your child’s Predicted Grade in each of his subjects, as well as his attitude to classwork, homework, and behavior.

Should you have any questions regarding the fluency composites process, please contact the school.

Yours sincerely,

Mr S Abdo
Assistant Principal

How can your child revise effectively?

- ✓ Know which subject exams they have on which dates
- ✓ Plan a revision timetable. Ideally, they should focus on no more than 2 subjects on a school night and 4 / 5 subjects over the weekend
- ✓ Refer to the topic lists that they are given by their subject teachers
- ✓ Plan for breaks whilst revising – aim to have a 5-to-10-minute break for each hour of revision
- ✓ Find a good study space, away from any distractions
